WE SHOW YOU THE WAY TO SUCCESS

CERTIFICATIONS | TRAINING | TECHNOLOGY
MAZE CONSULTANCY was formed by a group of experts with years of experience in Training, Certifications and IT solutions. Our goal is to help individuals and businesses become successful, regardless of their size or experience. Over the years, we’re proud to have helped our clients gain the knowledge and expertise necessary for organic and sustained growth.

Certifications

- Customs Trade Partnership Against Terrorism (CTPAT)
- Partners in Protection (PIP)
- Customs Self Assessment (CSA)
- SmartWay
- Customs Bond
- Freight Brokerage License
- ISO Certification

Benefits of FAST (CTPAT, PIP and CSA) Certifications

- Shorter wait times at the border
- Access to the dedicated FAST lane while crossing U.S. and Canada border
- Hassle-free border crossing while entering U.S. and Canadian Ports
- Front of the Line Privileges are granted to the members
- Preferred Carrier by Brokers and Shippers to haul cargo to Canada and U.S.
- Growth in Business due to secured Supply Chain Network and stronger brand identity
- Reduction in the U.S. and Canada Customs Inspections i.e. FAST shipments are 4 to 6 times less likely to undergo an examination than regular shipments.

Training

Safety and Compliance Specialist (16 hours)

Transportation is one of the most regulated industries in Canada and USA. Trainees will learn in detail all the MTO and DOT rules and regulations, along with hands-on practical experience on how to be compliant during an audit. At the end of the course, trainees will be able to manage a Carrier’s Safety and Compliance Program.

Hours of Service and Logbook (8 hours)

Working ‘overtime’ is a major problem in the commercial trucking industry. Both Canada and U.S. have adopted the Hours of Service regulations in order to combat this issue. These regulations specify daily driving limits and on-duty maximum hours. With this training course, you’ll learn how to be fully compliant with the Hours of Service regulations along with maintaining an accurate logbook record.
